Past Event Report

About Past Event:

Scientex Conference successfully hosted its second series on the “3rd International Conference on Neuroscience and Psychiatry” at CITY Seasons Suits Hotel, 8th St - Port Saeed - Dubai - United Arab Emirates during November 16-17, 2023 and “3rd International Webinar on Neuroscience and Psychiatry” on November 23-24, 2023 as per the time zone GMT+4. The conference was organized with a theme focused on “Modern Revolution for the Future of Neuroscience and Psychiatry” and it was a great success where eminent keynote speakers from various universities addressed the gathering. The generous response and active participation of the Organizing Committee Members played a major role in the success of Neuroscience and Psychiatry 2023. On another hand, we take the opportunity to thank all the speakers, delegates and participants for providing their valuable support and time for the conference.

Neuroscience 2023 Organizing Committee would like to thank the keynote speakers, plenary speakers, delegates and young researchers for making the sessions such a worthwhile experience. Also, we would like to thank the Moderator of the conference, Daniel Lee, American University of Caribbean School of Medicine, Sint Maarten and the moderator of the webinar Yasaman Mahdzadeh Darban, Babol University of Medical Sciences, Iran who contributed a lot for the smooth functioning of this event.
